

THE CHURCH
OF ENGLAND

St John's at Home

While our church building is closed we are working really hard to find new ways of keeping our worship going so people can continue to join in with services in different ways from home.

Each week there are several services, following our regular church worship pattern and this leaflet explains how you can join the congregation from the comfort of your own sofa.

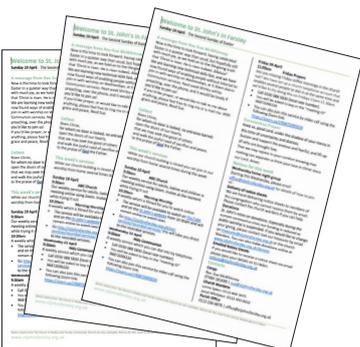

**WATCH ON YOUR
COMPUTER, TABLET
OR MOBILE PHONE**

10:30am Sunday Service

A recorded service of Morning Worship or Holy Communion which you can watch using a computer, tablet or mobile phone with internet access.

The idea of watching a church service on the internet might seem strange but once you try it, it's just like watching the TV and is a good alternative while we are unable to come to church as normal.

- Turn on your device in the usual way and open up the software you use to access the internet. (Google Chrome, Firefox or Microsoft Edge.)
- When it opens you should see your cursor flashing at the top of the screen. Type into that box **www.stjohnsfarsley.org.uk** and then press return on your keyboard.
- Our St. John's website will load up. Scroll down the page a short distance and look for where it says 'Recorded Services' and underneath click on the text which says 'Watch latest services'.
- A new page will appear. Scroll down the page and click on Sunday's date.
- Another new page will load containing the video box and further down the Order of Service. Click on the play arrow button in the middle of the video. Make sure your speakers are turned on to hear it.

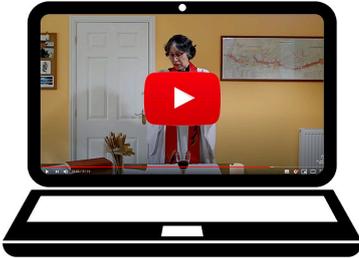

Latest church news

While you are on our website you can read the latest church news to keep in touch with what's happening.

- At the top of the website in the green leafy image you will see a white box with the names of the different sections of the website.
- Click on 'News' and it will open up a page where you can click on the latest notice sheets and clergy letters to read them.

DIAL IN BY PHONE

WATCH AS A VIDEO
CALL ON YOUR
COMPUTER, TABLET
OR PHONE

9:30am Wednesday Communion

A live service of Holy Communion including a short sermon which you can dial into and listen using your normal telephone, like any other phone call.

11:00am Friday Coffee with Prayers

A weekly get together, by phone, where we can share a cup of coffee and chat which will start with some short prayers.

You can dial into both of these in the same way.

Dialling in by phone

- Call **0330 088 5830** (local call rates)
- When prompted, using your handset, tap in the meeting ID number: **96872099226**
- Press the hash symbol button on your phone - **#** - it's the one which looks like a noughts and crosses board.
- You will be able to listen using your phone and on Friday you will also be able to speak to the other people who are joining you for coffee.

Join the video call using your computer, tablet or phone

If you have internet access on your computer, tablet or a phone you can dial into a video call which means you will be able to see us and hear us.

We are using something called Zoom to do this. It's a computer program which allows lots of people to all share one video call at the same time.

- Turn on your device in the usual way and open up the software you use to access the internet. (Google Chrome, Firefox or Microsoft Edge.)
- When it opens you should see your cursor flashing at the top of the screen. Type into that box:
<https://zoom.us/j/96872099226> and press return on your keyboard.
- You may get several messages popping up on your screen asking you to confirm whether you wish to join the meeting and whether you are happy to use your computer video and audio. It is fine to click OK on all of them.
- Remember that as well as you seeing us, we will be able to see you too!

JOIN THE SERVICE ON
YOUR COMPUTER,
TABLET OR PHONE

9:30am Sunday ABC Church

Our weekly service for adults, babies and children is now meeting online with a video call using the Zoom system.

Because this is a service specifically aimed at families with young children we are sending electronic invitations to join this service.

If you would like to be sent the details please contact Bev Tuke by email: **abcchurch@stjohnsfarsley.org.uk**

For more details go to **www.stjohnsfarsley.org.uk**
