Message from Gareth and Family

I would like to get to know people from the congregation and I am finding it hard with the current restrictions. So I am suggesting that I can have Zoom meetings or phone conversations with people so I can get to know you. If you are interested then please contact me and we can arrange a time.

Notices

We want your photos please!

We are trying to improve our social media pages and we want to show Farsley what a great group of people we are at St. John's. We want to make a photo montage including as many people from our congregation as possible. Please send us a head and shoulders photo of yourself. It is easier if it is one photo per person so if 2 or 3 of you come to church from your household, please send separate pictures. Pictures of you doing activities in church or the hall are also useful. By sending us the photo you are telling us that you are happy for us to use the photo in a montage of images of people from church on our website, Facebook, Twitter and Insatagram and A Church Near You. Please email them to website@stjohnsfarsley.org.uk – thank you.

Pudsey Community Project

The church hall is open Monday's and Thursday's 10am-12pm for donations to go towards the food bank.

Laptops, tablets and phones

Do you have an old laptop, tablet or phone that you no longer use? If so, we are able to pass to two organisations which help some of those people and families who need access to computer and electronic digital equipment in West Yorkshire. Donations can be dropped off Monday's and Thursday's 10am-12pm. Please bring the donated items in sealed bags. Further details can be found on the website.
